

Green Globes® Assessor Program

Phase I GGA Personnel Certification Program Update & Timetable

Candidate Update (Updated 1-15-2010)

All approved GGA candidates should purchase the training and credentialing package if they have not done so already and should begin the introductory GGP training and take the test. The GBI regrets to notify prospective and current candidates of delays in the remainder of the Green Globes Assessor training program.

Date	Event
September 4, 2009	First Round Candidates notified of their application status. Five candidates were approved and four candidates were wait-listed.
December 4, 2009*	Green Globes Professional (GGP) training launched. Seven candidates now certified as GGPø on the GBI web site.
December 16, 2009*	Second round of GGA candidates notified of their application status. Two candidates were approved and one was wait-listed.

Time-Table Moving Forward (Updated 1-15-2010)

Date	Event
Starting May 3, 2010*	Approved candidates that have completed the introductory GGP training and exam take the Green Globes Assessor training specific to their credential(s) pursued.
Starting May 10, 2010*	Green Globes Assessor Certifications formally granted through program.
Starting May 17, 2010*	Certified GGAø with assigned active status sign a contractor services agreement with GBI.
Starting May 24, 2010*	Mentoring assignments commence subject to project availability.

* Applications are accepted continuously by the GBI and may be reviewed and approved in advance of the published schedule based on market demands or other factors.
