## - MEETING NOTICE -

American Institute of Steel Construction  
130 East Randolph Street #2000 Chicago, IL  
Webinar/teleconference access information  
to be emailed prior to the meeting

The purpose for this meeting is to address comments and objections for the Working Draft of 01-201X document and questions/comments from the public.

The tentative agenda will be posted on the GBI webpage for the standard at: <http://www.thegbi.org/ansi>. All meetings are open to the public. Any member of the public or Subcommittee participant who would like to attend the meeting should contact the Secretariat Maria Woodbury preferably at least 10 days in advance of the meeting to ensure they are included in relevant communications in preparation for the meeting.

### **TO ATTEND, AND FOR ADDITIONAL INFORMATION, PLEASE CONTACT:**

*If you have any ADA or dietary needs, please notify Maria Woodbury ([maria@thegbi.org](mailto:maria@thegbi.org)) so we can work with you individually to ensure your participation at the in-person meeting.*
